## HOW CAN WE HELP YOUR BUSINESS GROW?

We strive to make it happen for our professionals, our organization and also our clients. Therefore, we work hard to make a financial positive impact for organizations, acting as the interface between Payroll and Benefits Management services, optimizing operating costs while improving the quality of the benefits of its employees.

## OUR SERVICES

### Benefits management

As we have a proven experience of more than 20 years managing payroll activities, we have the expertise to act in an effective manner as a broker to offer the best solutions in **health, dental, and life insurance as well as pension plans**. After all, we optimize the enterprise administration by providing assertive service in English / Portuguese in a synergistic way with your payroll processing.

## Seguros corporativos

Our consulting experience allows us to achieve the best options and negotiations for corporate insurance that your company needs as a way to protect itself against operational risks. We offer: **Cybersecurity Insurance, Guarantee Insurance, Civil Liability, E&O, D&O and Credit Insurance.**

## WE WILL WORK TOGETHER WITH YOU DURING THE DECISIVE MOMENTS OF THIS “**NEW NORMAL**”!

We offer benchmark consulting and analysis at no cost, where these solutions can help companies to reduce up to 30% in monthly health and dental insurance costs while maintaining the quality.

We also have specific Health & Wellness programs to provide to your employees a better quality of personal and professional life, which further drives gain for your company!

Another important factor is that we are aware of market changes and, with the global increase in cyberattacks and data protection legislation, we have an extensive line of corporate insurance to protect your company in case of accidents involving data breach.
