## ABOUT HLB BRASIL

For more than 25 years in Brazil, **HLB was a pioneer in Outsourcing** providing services to national, multinational and *startup* companies. Our business process was developed along with new technologies and methodologies that contribute to the success of our clients.

## ABOUT HLB GLOBAL PRESENCE

**HLB is one of the fastest growing networks in recent years.**

With dynamism, we bring the combination between the local expertise of our firms and the global experiences as a differential in meeting the needs of our clients.
