

LEGAL REPRESENTATION SERVICES FOR FOREIGN COMPANIES

HLB Brasil has the more than 25 years of experience in supporting foreign companies in Brazil, providing all the support required for organizations to establish its business, from obtaining a CNPJ (Tax ID) to providing solutions for accounting, tax, finance, payroll and benefits).

HLB Brasil team is properly trained in the legal and BPS segments. We understand the nuances of the Brazilian law to represent organizations before local authorities as well as complying and developing its business in the local market.

The automation of our processes for electronic signatures using digital certification technology allows legal representatives and directors/administrators to develop a transparent and reliable work environment.

As part of our Legal representation services, we offer:

- Acting as Local Director (Administrator);
- Acting as Attorney-in-fact – Legal representation for foreign shareholders;
- Paralegal services;
- Legal local address;
- Participation in the board of directors;
- Registration with regulatory bodies (CVM, Federal Revenue, Central Bank of Brazil);
- Banking management;
- Maintenance of statutory records;
- Investor registration with the CVM and the Central Bank of Brazil;
