

## CONSULTING FOR BUSINESS SETUP IN BRAZIL AND LEGAL REPRESENTATION

HLB Brasil has over 30 years of experience representing foreign companies in Brazil, offering full support throughout their market entry projects — from obtaining a Tax ID (CNPJ) to complete BPO management (accounting, tax, financial, and payroll services).

Our team is composed of legal and accounting experts with in-depth knowledge of Brazilian legislation. We act on behalf of organizations before local authorities, ensuring compliance and driving development and growth in the Brazilian market.

In addition, our automated processes for digital signatures and digital certification ensure that legal representatives and administrators operate transparently, securely, and reliably.

### **Among the Legal Representation services offered to foreign entities looking to establish operations in Brazil, we provide:**

Representation and registration with regulatory and supervisory agencies — Local administrator and representative of foreign shareholders (CVM, Federal Revenue, Central Bank of Brazil);

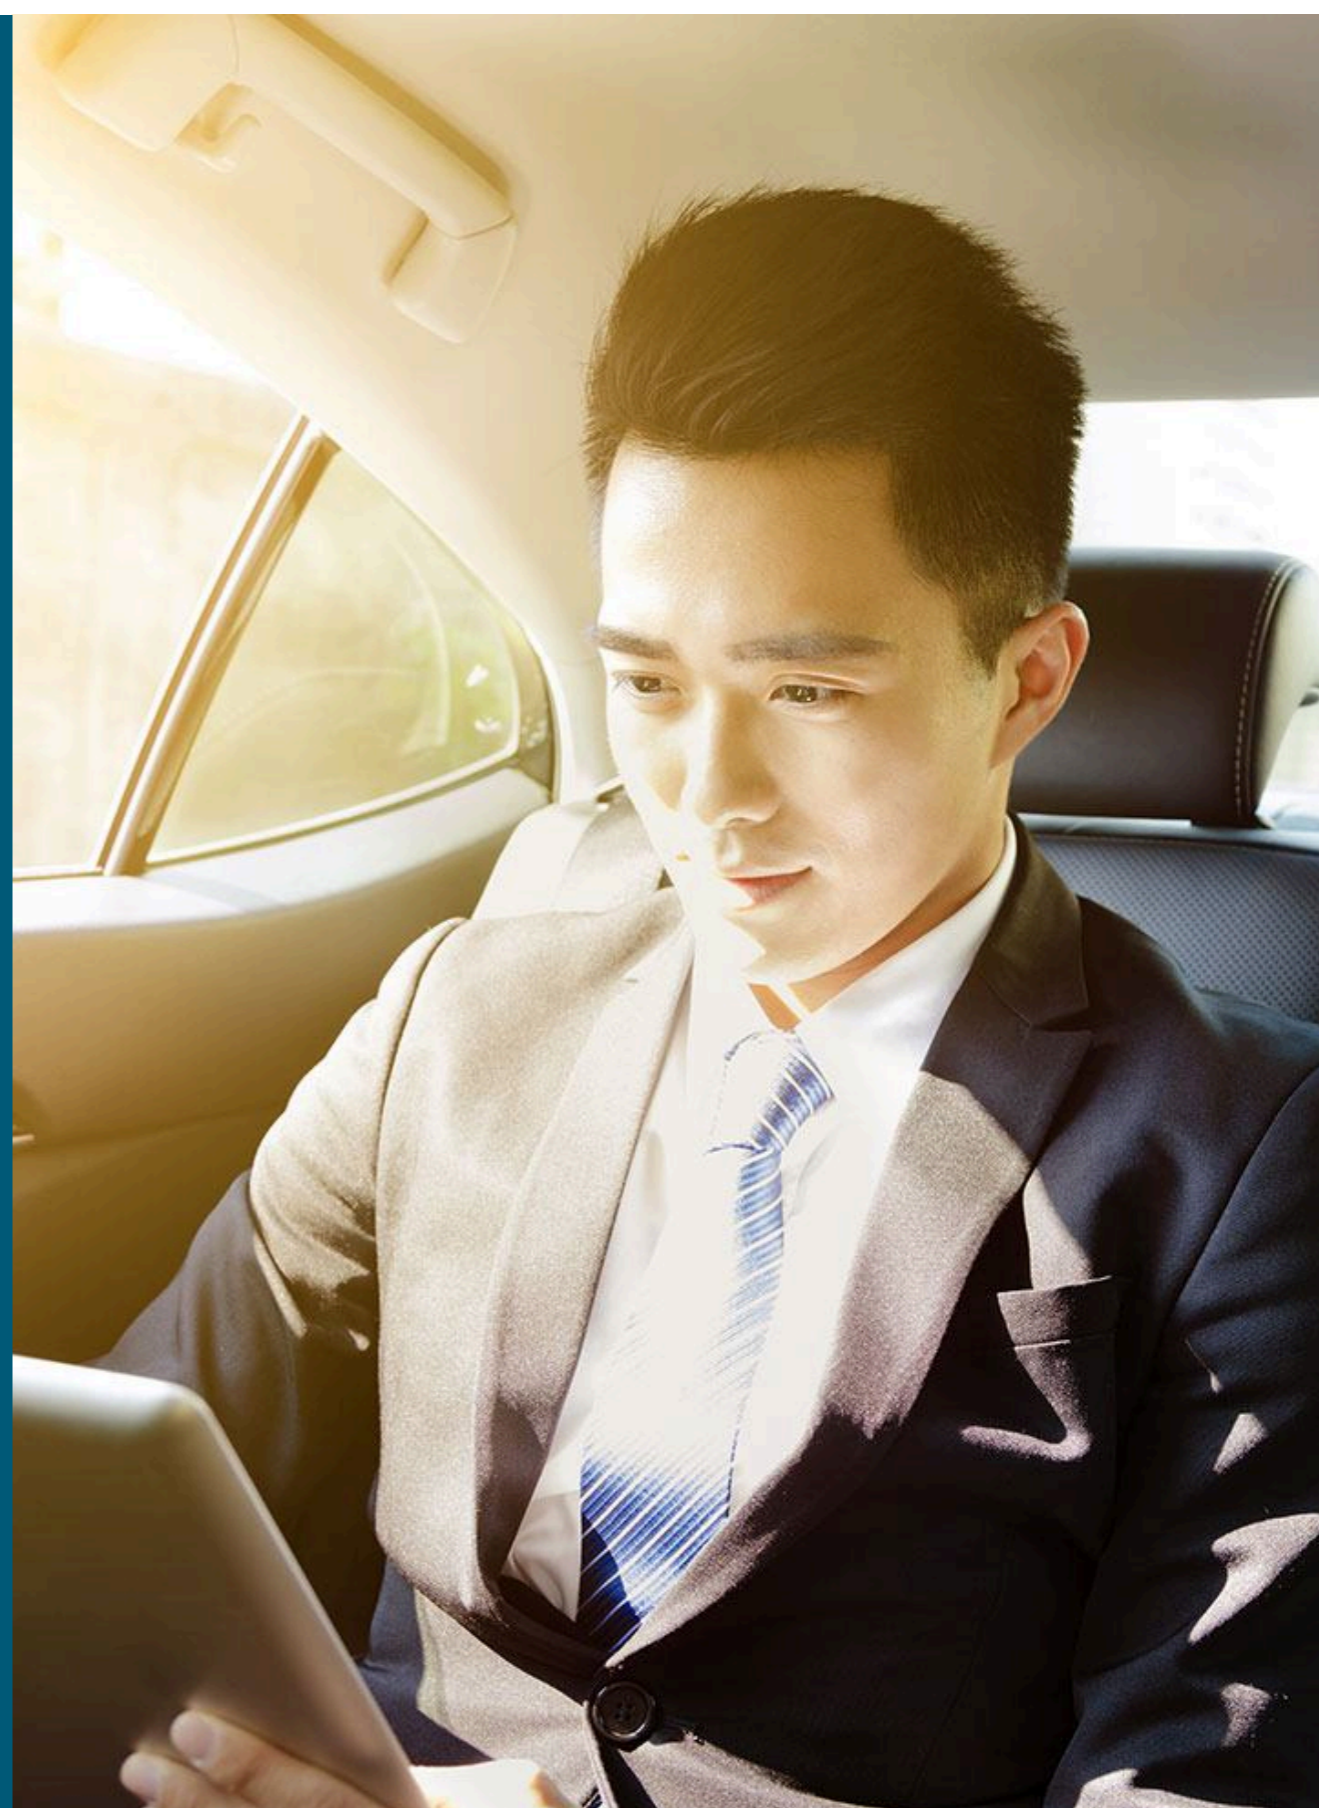

Registered business address;

Participation on boards of directors;

Paralegal services;

Bank account management;

Investor registration with CVM and the Central Bank of Brazil.
