OUR SOLUTIONS

BUSINESS PROCESS OUTSOURCING (BPO)

- **BPO - Accounting:**

Corporate accounting, cost calculation, inventory management, fixed asset control, local accounting, customizable management reports and financial statements.

- **BPO – Tax:**

Billing automation/issuance, calculation of indirect and direct taxes, tax compliance (risk mitigation and tax optimization) and submission of ancillary obligations.

- **BPO – Financial:**

Automation of accounts payable and receivable, invoice issuance, financial reports, bank reconciliation, cash flow control and optimization.

- **BPO – Payroll:**

Management and processing of payroll routines – hiring, termination, vacation, 13th salary, obligations, reports and accounting integration.
